Scholarship Fund Strengthens Hawaii

By Lt. Gen. Allen Ono, Scholarship Fund Board Chair

A good cause, wonderful friends, caroling, gift exchanges and superb food will highlight the Christmas season at the holiday party at 6:00pm on Saturday, December 17th at Hale Koa Hotel, sponsored by the Aloha Chapter Scholarship Fund Board of Directors.

Fund trustees consider three fields of study to be important to Hawaii and deserve our support:

The first priority is education and the need to prepare more quality teachers for local schools.

Second is the schooling of additional nurses to shrink the needs gap to care for our aging and growing population.

Third is the focus on national defense through strong college ROTC leader development programs.

The fund will encourage and strengthen the talents and dedication of students as sophomores or juniors in a local college to meet the goal of the Scholarship Fund: "BUILDING HAWAII—SUPPORT OUR YOUTH."

Please attend the festive Christmas Party and contribute generously with a voluntary tax-exempt donation. Your payment may be mailed to Aloha Chapter, MOAA Scholarship Fund, P.O. Box 1927, Aiea, Hawaii, 96701. A reservation/donation form, along with the dinner menu, is found on page 7 of this newsletter.

Election Night: Three Board Members Re-Elected

By Harold Kuwahara, Program Chair

On November 17, the following members were nominated and unanimously elected to our Board of Directors for the next two years: Jack E. Bohman; Edward Y. Hirata; Gerald O. Lesperance. They will serve for the next two years and our thanks go to them for their consent and dedication to serve our chapter. The Board is an important part of our organization in that they have the responsibility to supervise, control and direct the affairs of the Chapter, in addition, they determine Chapter policies and have overall and final authority in the disbursement of its funds.

The meeting was held at the Coast Guard Station, Club 14 on Sand Island and 32 members and spouses attended.

Jack Bohman

Ed Hirata

Jerry Lesperance

I would like to thank Marion Von, Nari Hamlin, Alice Fujiwara, Maizie Kozuki, Shirley Ihara and Esther Takenaka for decorating the tables and Hal Takenaka for checking in the attendees and Norm Fujiwara for helping with the set up of the flags and banner.

Thanks also to all who attended on such short notice.

President's Message By Vernon Von

What's next, now that our Thanksgiving celebrations are over and we have all survived the most intense shopping day of the year (the day after turkey day)? We all look forward to seeing family and friends for Christmas and the New Year. However, the world does not stop turning in spite of our anticipation of joyous times and parties galore. The reality is that we must all decide what to do about Medicare Part D. Here is one suggestion from the latest MOAA magazine. "TRICARE for LIFE-eligibles don't need part D. Your TRICARE pharmacy benefit provides better coverage than Part D, and it doesn't cost you any monthly premiums. Consider Medicare Part D only if you lose TRICARE eligibility or are Medicaid-eligible. Those losing TRICARE eligibility must enroll in Part D within 63 days of losing TRICARE or face a late enrollment penalty for Part D. Medicaid-eligibles (that's Medicaid, not Medicare) will automatically be enrolled in Part D and will have Part D premiums waived. TRICARE will be second payer to Part D for those beneficiaries". After the first of the year, we hope to have a speaker that will address our questions and issues about Part D.

Did you know, "There are more than 25 million veterans in the U.S., but fewer and fewer in Congress? Of 100 Senators, 31 served on active duty or in the Reserves. Just eight saw combat, including World War II pilot Ted Stevens (R., Alaska) and Medal of Honor recipient Daniel Inouye (D., Hawaii). In the House, 110 out of 435 are veterans, but just 29 saw combat. Only one vet is a woman, Rep. Heather Wilson (R./ N.M.)".

Congratulations to the following who have been elected to our Board of Directors: Edward Hirata, BG, USA, Ret., Jerry Lesperance, CAPT, USCG, Ret. and Jack Bohman, LTC, USA, Ret. They were unanimously elected at the Election Night Dinner on November 17.

Wishing all members and spouses a Happy Holiday Season!

December is Last Month for "Give Me 10" By Gordon Cho, Membership Chair

December 31, 2005 will be last day of the national MOAA's "Give Me 10 Campaign" and your last opportunity to renew your national MOAA memberships at reduced prices (2 years for \$26). There are still some Aloha Chapter members who have allowed their national membership to lapse. Get those applications in before 31 December 2005, take advantage of the discount, and have a chance at some sweepstake prizes!

To date, national MOAA provided us with a list of 33 Aloha Chapter members who had their national membership lapse. Letters went out to all and to date 14 members renewed or initiated national membership. This is good as the chapter qualified for a \$100 bonus for signing up at least 10 members. To those of you who are still undecided, please remember that membership at the national level insures lobbying power when MOAA goes to the hill to fight for our service benefit issues.

Contact COL(Ret) Gordon W. Cho at email: gcho440443@aol.com, or at 494-2400 for more information.

Aloha Chapter Seeking Publicity and Publications Committee Chair!

If you enjoy all of the great activities of the Aloha Chapter and want to lend your special talents to this great organization, now's your chance! The Aloha Chapter newsletter, Na Leo O Na Koa, is searching for a new editor starting with the January 2006 edition.

The main skill required is the ability to work with Microsoft Publisher or a similar newsletter software program. Even if you've never worked with this before, it's easy to learn at your own pace! Chapter Officers and members send you articles and photos via email, and then you use your talents to pull it all together into an eye-catching format, send it electronically to the printer, then drop it in the mail. Label making software is provided, as is the membership data base. The Editor also updates the chapter website monthly. Don't worry—it takes only a few minutes and very basic computer skills to learn.

For more information, contact Vernon Von at 732-3908.

More Events Planned, Name Sought for Fledgling Ladies Group

By Marion Von

On Tuesday, October 18th, a group of ladies met to organize and discuss activities for the ladies of the Aloha Chapter for the coming year. These ladies were: Mary Cho, Anna Blackwell, Nari Hamlin, Shirley Ihara, Esther Takenaka, Marion Von and Helene Webster.

Based on the survey that was collected at the first ladies only event (Tour of the Royal Hawaiian Hotel on August 19th), the following decisions were made:

1. Ladies events will be held four times a year (January, May, August, and November).
2. Events will be on Mondays unless the activity is best held on another day.
3. Future events will be announced in the Aloha Chapter Newsletter the month prior to the date of the activity
4. Mary Cho and Shirley will co-chair the ladies group for the next year.
5. Nari Hamlin will be the group's historian and Marion Von will serve as secretary.

An appropriate name for this fledgling group is still under consideration. If you have any suggestions for the name, or if you are willing to help our ladies group in any way, please contact Mary Cho @ 484-2400 or Shirley Ihara @ 239-7947.

In August, the Aloha Chapter held a "Ladies Only" outing at the Royal Hawaiian Hotel, which included a guided tour of this historic building along with a luncheon in the Surf Room. Organizers hope to plan even more gatherings in 2006.

On the Legislative Table...

With the recent flurry of activity on the FY2006 Defense Authorization Act, we don't want to lose track of several other legislative actions of significant interest to the military and veterans' community:

* Last week the House passed the Veterans' Compensation Cost-of-Living Adjustment Act of 2005 (S. 1234), which authorizes a 4.1% cost-of-living increase for those who collect disability and survivors' benefits from the Department of Veterans Affairs. The bill is now on its way to the White House for signature. Unlike military retired pay and survivor annuities, Congress must authorize annual VA COLA increases each year. The increase will take effect Dec. 1, 2005 and will be reflected in the Jan. 2, 2006 checks.

* Also last week, Congress passed the FY2006 Military Quality of Life and Veterans Affairs Appropriations Act (H.R. 2528) and forwarded it to the President for his signature. It provides an overall 4.8% increase in the VA budget from FY2005, including an 8.1% funding increase for VA medical services. It also includes an extra \$1.2 billion to make up the current-year budget shortfall that was discovered in June.

* In an effort to win approval for the House's budget savings package (H.R. 4241), House leaders included a provision to allow seniors to shelter up to \$750,000 in home equity and still be eligible for Medicaid nursing home coverage. **(MOAA)**

McCauley, Bohman, Furukawa "Big Time" Golfers

By Norm Fujiwara

I found that the old adage "PPP" pounded in head in the military maybe somewhat of a myth. You know "Prior Plan Pays", I have done some prior checking at Barbers Point Golf Course about their acceptance of credit card. After checking and sending e-mails to the members warning them of the non-acceptance of credit card at the course, Friday I am prepared to pay cash and learned that they now have the land line connected and are accepting credit cards. I also checked to see that they had blue tees on the course, I think I blew this one since there were no blue tees and possibly never had them.

That was the down side for today's golfing, upside the weather was just superb and all the players reported in on time and they all paid into the pot without my tracking down any player.

We had a new format for our golf game, for the first time we played "California Scramble" it sounded somewhat complicated but every team did okay.

We had fifteen players, had sixteen on Thursday which four meant four player teams, however, I had one cancellation on Thursday night but thanks to Stan Furukawa's vigil on his e-mail was able to get him as a replacement. On Friday morning I had another cancellation but I decided to keep my cool and have a threesome on one team.

The foursome with a score of 73 earned the second place award and the team was led by Gordon Cho, with Ira Tagawa, Bob Kozuki and Ken Yamada. The big time winners in first place with a score of 70 was led by Chuck McCauley with Jack Bohman and Stan Furukawa. Third place with a score of 75 and no financial rewards were led by Joe Kuroda, Yoshi Nakamura, Curtis Kekoa and Don Dismuke, in fourth place for the four team match was led by Ken Munechika, with Leroy Perry, Alice Fujiwara and yours truly, likewise no financial rewards.

Fifteen players was our season low mark. We need more players. We do have a number of players who are recuperating from various ailments and we wish them well and a speedy recovery and they include Allen Ono, Mel Soong, Len Katsarsky and Marvin Baum, we need you on the golf course. We also have several "once in a blue moon" players Mary Cho, Ed and Harumi Hirata, Kenzo Kanemoto, Kathie Pickering, Stan and Phyllis Yasumoto, and Art Yamamoto, come on out, we need you folks.

Our final Aloha chapter Golf Outing for this season will be at Leilehua Golf Course on Friday, December 16th first tee time at 8:52AM.

Aloha and a Hui Hou Kakou, Norm
