## Informative Tour of JPAC

At 9:30 AM on Thursday, January 22<sup>nd</sup>, about 80 members and guests of the Aloha and Hawaii Chapters, MOAA, gathered at the Joint POW/MIA Accounting Command (JPAC), the largest forensic anthropology laboratory in the world, for a very interesting and exceedingly professional tour of the facility at Hickam AFB.

JPAC is manned by approximately 400 hand-picked Soldiers, Sailors, Airmen, Marines and Department of the Navy civilians. The mission of JPAC, activated on Oct. 1, 2003, from the merger of the 30-year-old U.S. Army Central Identification Laboratory, Hawaii, and the 11-year-old Joint Task Force, is to achieve the fullest possible accounting of all Americans missing as a result of the nation's past conflicts. To date, over 1,400 Americans have been identified at an average of about six individuals a month.

Each year, JPAC conducts at least five recovery missions associated with the Korean War, ten missions in Southeast Asia for Vietnam War cases, and ten missions in other areas of the world to search for MIAs associated with World War II and the Cold War. The recovery and identification process may take years to complete.

Because of the large size of our group, we were broken into 3 groups for professional presentations in 3 broad areas of JPAC operations: an overall overview, recovery and identification.

What was particularly noteworthy was the respect that all personnel at JPAC bestowed upon the remains that they were attempting to identify, from the time of excavation, transportation, to final identification and return of a thoroughly verified, no-longer MIA, to family members.

Before we departed to a buffet luncheon at the nearby Sea Breeze Restaurant, we were greeted by the personable Commander of JPAC, Rear Admiral Donna L. Crisp, who assumed command of this vital operation in January, 2008.

## Installation Luncheon

At our annual installation meeting, a buffet luncheon at Hale Ikena on Thursday, January 15<sup>th</sup>, with MG Vern Miyagi, USA, Ret., presiding, the elected members of our Board of Directors for 2009 were officially installed to their office.

Prior to this ceremony, MG Miyagi gave the approximately 35 members and guests attending this ceremony an update of the U.S. Army National Guard's current activities and successes in Iraq and Afghanistan.

## President's Message by Robert Kozuki

For a number of years the Aloha Chapter has supported the Institute for Human Services (IHS) during our annual fund raising by providing gifts

of chicken and providing the volunteers to serve the food to the homeless. The news is full of the economic down turn, Wall Streets down turn, the recession, along with funding shortfall of all the charities in Honolulu and the decrease in contribution to food banks. Thus, it is particularly important for the Aloha Chapter to continue to support IHS during their time of increased service demands and funding shortfall that appears to be attributed to the recession.

The February 26, 2009, luncheon and program at the Hale Ikena will feature a speaker from the Institute of Human Services to discuss their program and how our contribution of food and volunteers impact on their program. Please send in the Reservation Form on Page 7 right now.

I encourage our membership to participate by attending the luncheon, learn more about IHS, and consider contributing to IHS. Please contribute either your time or your gift of chickens the Aloha Chapter will be selling at their fund raiser on April 26, 2009, at the Kalihi Waena Elementary School, 1240 Gulick Avenue, located on the first street east of Middle Street toward Diamond Head. Note that this is a different location from Fern School, where we have had our chicken sale for many years.

## Chairman's Corner Newsletter is Vital Link That Binds Chapter Members Together by Allen Ono, Chairman of the Board

An essential and critical Aloha Chapter service is provided by this newsletter that allows mem-

bers and spouses to keep abreast of chapter activities and to stay connected with each other.

Today's featured member is **Mark Webster**, our star communicator-in-chief, chairman of the Public Relations and Publications Committee, webmaster and member of the Board of Directors. We can always rely on valuable **Mark** and gracious wife **Helene** to willingly help at activities and improve the chapter by providing the linkage and network that hold us together.

We asked **Mark** about himself to get to know him better.

**Time spent on newsletter.** Two, sometimes three concentrated days to prepare, print, label and mail it to all members by the end of the month. Then, the chapter web site is updated and the electronic version of the current newsletter is uploaded onto it. **See Chairman Page 4**

## Merrie Ladies — This 'n' That

Thanks to all of you ladies, the cookbook project we began last year is almost complete. The Aloha Chapter Scholarship Committee was presented a check of \$6,000 at the January 15<sup>th</sup> Aloha Chapter Luncheon. We still have some books left but hope to sell them all in the next few months. If you know of others who still need or want a cookbook, please contact **Evelyn Ono** at 536-6043.

One of our contributors to the cookbook called to say there was a mistake in the measurement for sugar in her Butter Yaki recipe. She meant to put  $\frac{1}{4}$  cup sugar instead of  $\frac{1}{2}$  cup. Please make a note in your cookbooks and pass that info on as you wish. We also want to apologize to **Joan Lee** for listing her Spinach–Artichoke Dip as Spinach–Avocado Dip. After all of our editing and re-checking, we still did not notice the error.

Please don't forget our February 6<sup>th</sup> luncheon at the Oceanarium Restaurant in the Pacific Beach Hotel. A good time is planned for all who attend.

**Marion**

*The Cookbook Committee of the Merrie Ladies—**Mazie Kozuki, Evelyn Ono, Marion Von and Esther Takenaka**—donating a \$6,000 check from their cookbook sales to the Aloha Chapter Scholarship Fund. Happily receiving it are **Allen Ono**, left front, Chairman of the Scholarship Board of Trustees, and one of his assistants in managing the Fund, **Hal Takenaka**.*

## Chairman's Corner (Cont. from Page 2)

**Military service.** Joined Naval Reserve in 1962 as alternative to draft (or a marriage exemption) and lure of the sea and adventure. Graduated from Officer Candidate School and the U.S. Naval Justice School at Newport, Rhode Island. Served as the Legal Officer and Communications Division Officer aboard a seaplane tender in the Western Pacific conducting aerial surveillance during Vietnam War. Stationed at Pearl Harbor distributing highly classified key cards, publications and equipment to Naval and Marine forces throughout the Pacific, mostly to Vietnam. Retired from active duty in 1966, remained in Naval Reserve for 18 years, participating in RIMPAC exercises on the Mainland, Canada and New Zealand, retiring as a lieutenant commander.

**Proud accomplishment.** Commissioned as an ensign from OCS as more than a third of the class failed to graduate. Career led to exciting, fulfilling career, retirement benefits, TRICARE eligibility and exchange and commissary privileges.

**Education.** Punahou School and University of California at Fresno (Bachelor of Science in geology).

**Civilian profession.** Used geology education to become sugar agriculture supervisor on Kauai and Big Island. After a decade, got tired of raising cane and moved into industrial sales and eventually worked at PaperSource, a major wholesale paper, plastic and chemical distribution company at Campbell Industrial Park. Retired from civilian career in March, 2006.

**How you met Helene.** Waikiki neighbor and Helene's coworker gave him her number. He called, they talked for two hours like old friends, went on a blind date at Chuck's Steak House in Hawaii Kai and two years later got married. They celebrate their 30<sup>th</sup> anniversary this year.

**Helene and Mark Webster**

**Hobbies.** Traveling, reading, swimming and working with the computer.

**Recent books read.** *The Source* by James Michener, a huge historical novel beginning in 7850 BC about how religion evolved and influenced mankind. *The Appeal*, latest legal thriller by John Grisham.

**Last trip from Hawaii.** Space-available flight last Sept. from Hickam to Milwaukee, WI, and then to St. Paul, MN, by bus to visit sister and her family.

**Next trips.** Space-A flights to California with **Helene** for a Super Bowl party and to Japan in spring with **Joe Kuroda** to see cherry blossoms.

**What many don't know.** Lived in Beirut, Lebanon, as a teen, when it was a beautiful, peaceful city, as dad worked for Trans-Arabian Pipeline company during construction of a pipeline from the Persian Gulf to the Mediterranean. Traveled all over Middle East from Dead Sea to Jerusalem to Damascus to Cyprus and Turkey.

## Aloha Chapter Party Bridge

The January Party Bridge session was held at the Fahrni Residence on Sunday the 18<sup>th</sup>, hosted by **Vernon and Marion Von**. The hosts had lots of “ono” snacks and drinks before play began at 1 PM and during the 5-table session. (There was one “no-show”, but since those not actively involved helped fill-in, play was not adversely affected).

Amassing the most points - 5,390 - during this session was **Dayle Carlson**, the only one to score in the 5,000's. Other top scores honored, in descending order, were: **Barbara Chong, Mary Ellen Reed, Marion Von, Helen Fahrni, and Les Ihara**. Other participants were: **Mitzi Austin, Bobbi Carlson, Shirley Ihara, John Kim, Dave & Lois Luehring, Gary & Bev Jensen, Dan Matthews, Vernon Von, Harriet Weissman, Phyllis Williams**, and guest **Hazel Theodore**. No slams were bid and made during this session.

## Twinning 2009

The 3<sup>rd</sup> twinning visit to Las Vegas and the Southern Nevada MOAA Chapter, the activities concept, and budget were recently approved by the Executive Committee for the period 17 - 21 September 2009. This period was chosen since it includes the UH - UNLV football game on Saturday the 19<sup>th</sup> which many chapter members and spouses are planning to attend.

Coordinating Twinning 2009 for Aloha Chapter are **Les & Shirley Ihara** who have been in contact with the Southern Nevada Chapter coordinators, **Jack & Nancy Taylor**. The twinning activities concept includes a joint dinner meeting on Thursday (their normal meeting night) or Friday night, golf outing on Friday and Saturday mornings, a shopping tour to Trader Joe's and an outlet mall on Friday morning, a show (or dinner-show) on Friday, (or Thursday if joint meeting is changed to Friday), and a Sunday evening hosted reception/dinner. (Although many will be attending the football game on Saturday night, it is not an official twinning activity.)

## January Golf Report

Friday, January 23<sup>rd</sup>, was the inauguration of the Aloha Chapter 2009 Golf Program. What a beautiful day to open the program, dry with warm sun and breezy trade winds. Initially, we had 24 players signing up,

making for an ideal grouping of six tee times. However we had one cancellation: reason, kranken German auto needing some TLC from a German mechanic. Gee, **Leroy**, I hope it did not cost you an arm and a leg; see you next month.

All 23 remaining golfers showed up at Barbers Point Golf Course ready to open the new golf season. The gang was led by the first group consisting of **Allen Ono**, **Bob Kozuki** (welcome back **Bob**), **Mert Agena** and **Ken Munechika**,

they were followed by the team of **John Ma**, his guest **Glenn Young**, **Kelly Lau**, and **Mel Soong**, then a group led by **Gordon Cho** and his guest **Paul Yamashige**, **Dick Towne** and **John Holmes**, then came the group of **Cedric Chong**, **Ron Katto**, **Bob Nagao**, and **Howard Okada**, followed a trio of **Jack Bohman**, **Larry Enomoto** and **Ken Yamada**, bringing up the rear were **Len Katsarsky** and **Honeyjean Katsarsky** (welcome back both of you, it has been a while), and **Alice Fujiwara** and yours truly. I would like to say welcome to all the guests and those "haven't seen you in a while players."

It was great to see two wahine golfers, but I sure hope we can get a lot more wahine golfers joining in on our golf program.

Now for the big winners of our mega jackpot, in fourth place was the pair of **Honeyjean Katsarsky** and **Cedric Chong**, they were followed by **Paul Yamashige** and **Mert Agena** in third place, in second place was the pair of **Glenn Young** and **Ken Munechika**, and the best of the best in first place was the pair of **John Ma** and yours truly. Congratulations to all the winners and a big Mahalo to all the participants who helped to open our 2009 Aloha Chapter Golf Season.

Now for our thought of the day: "Never put off until tomorrow what you can get someone wise to do today."

Our next golf outing will be Friday, February 23<sup>rd</sup>, at Navy/Marine Golf Course.

'Till then, Aloha and good golfing.

**Twinning 2009 (Cont. Pg. 5)**

Travel and hotel accommodations for Twinning 2009 are being left up to each individual since there are many and varied "packages" being offered by local travel agencies and deciding on a specific group travel package would have been difficult. So those planning to participate in Twinning 2009 just need to keep in mind the activities scheduled above when making travel arrangements.

To assist our Las Vegas hosts in planning and arranging twinning activities, our coordinators need to know who and how many chapter members, spouses, and guests plan to participate in each of the activities specified above.

Therefore, in establishing a count of our twinning group, all those planning to participate in any or all Twinning 2009 activities are asked to contact **Les** or **Shirley** as soon as possible. As more specifics of twinning activities are received from our hosts, those individuals will receive timely notices which will also appear in subsequent newsletters.

Please be sure to contact **Les** or **Shirley Ihara**, telephone: 239-7947 or e-mail to: [lsi@hawaii.rr.com](mailto:lsi@hawaii.rr.com) if and when you decide to participate in Twinning 2009! **Les**
