Chairman's 2002 Message

I am proud to be your Chairman and look forward to another year of providing the information and entertainment sought by the membership. We aim to continue to support our Commander in Chief and the Armed Forces in their mission to seek and destroy terrorists by volunteering in community efforts like the Food Bank and Blood Drives. We intend to examine and disseminate information on Long Term Care. This is a timely subject in light of the fact that the Federal Government is expected to offer a plan that was formerly offered only by the private sector. The monthly programs that Jack and Carita Miller planned and managed so effectively will be continued with its

goal to entertain and keep you current with affordable monthly get togethers. We plan and will provide monthly Pau Hana Koas along with "Chaptergrams" as appropriate as a further means of keeping you apprised of issues and events that could effect your life style. In line with the printed media, you will be provided your membership Directory 2002 that will be in your hands in the February time frame. As has been done so faithfully and effectively in the past, we will stay politically active on issues effecting your interest at the local as well as the national level. Lastly, one of our major efforts will be to seek balance in our membership by aggressively recruiting new members.

Hopefully, the outlined program will meet your desires and needs while at the same time enabling us as a Chapter, a satellite of the Chapter, or as individual citizens to act in a manner that lends encouragement and support to our great Nation.

"GOD BLESS AMERICA"

2002 DIRECTORY

As Planned we will have the Chapter 2002 Directory to the Island Printers mid-January-to your doorstep the beginning of February. To ensure your information is correct , you need to review your last (2001) year's directory -- be sure to check your email address, if applicable. If you have additions/deletions/corrections—be sure you send them to our PO Box 1185, Kailua, call Duke at 261-2946 or e-mail info@troa-hawaii.net.

PRESIDENTS MESSAGE

As we all embark into 2002, I look forward to a year of opportunity for our Chapter, based on the accomplishments of 2001 and our potential for success. We have a solid foundation - with a Board of Directors under the leadership of Bruce Smith to provide the vision, direction, oversight and a policy making function. We have a proactive Executive Committee — for the management and the operation of the Chapter — and our Legislative Affairs/ Veterans Affairs Committee (LAVA), and Personal Affairs Committee (PAC)— with proven track records, for keeping us aware and active in those areas of significant importance to the membership and our military community in Hawaii. Having said that, we have the most important element that guaranteed our success in the past and without any doubt, will ensure success in 2002 — and that is you the membership. Our membership is representative of the professional officer corps—retired, active, Guard, Reserve and with our Auxiliary— is The Retired Officer Association within Hawaii. Our numbers include an Assistant Secretary of State, U.S. Senator, State Senator, three State representatives, active Flag/ General Officers in Headquarters and Component Commands on Oahu. You can find our members representing Hawaii Chapter in the Chamber of Commerce, the Office of Veterans Services, the Oahu Veterans Council, the Army Retirement Council, the Navy League, AFA, AUSA, and very many playing significant roles in the civilian community, in 2d careers. We have an active, generous membership that last year donated over \$5,785.00 — of which \$1,108.00 was collected for Disaster Relief for 911 and will be sent to the Salvation Army — and \$1,928.00 is fenced for our ROTC program. We contributed \$ 712.50 and 1,829 pounds to Hawaii's Food Bank. We indeed have a great chapter.

As for 2002, our greatest visibility assets for our membership and community are our Pau Hana Koa and social events. We plan on twelve PHK issues for 2002 for an approximate \$530.00 total monthly cost (printing and bulk mail). We have a new Editor-in-Chief, Bill McGarry, who could use some assist editors if you have the inclination and time. We will start off our social programs this January with an exceptional speaker, BGEN Putt Williams, who will be addressing the Guard and 911 at the Hale Ikena at Fort Shafter. I have intended to keep this message to one page so will close reiterating the Chairman's Message —GOD BLESS AMERICA ! Duke

Long Term Care gets Congressional OK

The House and Senate this week approved the Long-Term Care Security Act for Presidential signature, which is expected shortly. The Act makes several improvements in the law that initially authorized the government LTC insurance program

discussed above. H.R. 2559 exempts federal long-term care insurance premiums from state and local income taxability. It also expands eligibility to include gray area reservists, as well as federal civilian retirees with deferred annuities. (Gray area reserve retirees have served 20 or more qualifying years and are eligible to receive retired pay when they become 60 years of age.) 13 million federal workers and annuitants - including active and retired service members and their family members - will be eligible to purchase the long-term care insurance at group-discount rates when the program commences on Oct. 1, 2002. OPM expects the government program's premiums to be lower than those of commercial plans.

Disability Retirees Need a VA Rating, Too

According to a recent Pentagon legal ruling, "Chapter 61" retirees who served at least 20 years on active duty and received at least a 70-percent military disability retirement from their parent service must also have been awarded VA disability compensation to be eligible for the new \$100 to \$300 monthly "special compensation for certain severely disabled retirees". Some chapter 61 retirees never applied to the VA, or did not accept VA disability compensation because they saw no advantage in it. But such people will be delayed in receiving the new \$100-300 monthly special compensation until they apply for and receive VA compensation - a process that can take 9 months. Payments, however, will be retroactive.

LAVA Committee Meeting

The LAVA Committee meets on the 2nd Thursday of each month. The next meeting will be January 10 in the Pikake room at the Hickam Officers' Club at 1130. If issues affecting the military community are on your mind, please join the meeting for a discussion and possibly some action.

Legislative Disappoints in 2001

Neither legislation to appropriate money for Concurrent Receipt nor the authority to Increasing the SBP Annuity for Survivors Age 62 and Older successfully passed Congress in 2001. On the issue of Concurrent receipts, only the authorization passed, but Congress failed to provide for funding. Instead they left that to the administration to provide in the 2002/3 Defense Budget. There is little chance for that to happen without a major effort on the part of all military retirees and the Military Coalition, i.e., TROA, FRA, etc., because the administration has taken a position opposing paying both retired pay and disability pay.

Increasing the SBP annuity did not move at all in 2001 primarily because Sen. Strom Thurman was not available at the right times to push for it. He is the lead sponsor of this bill and we have to hope that he remains healthy throughout 2002. It will also take a combined effort of all retirees and the Military Coalition to make this happen. More on these two issues throughout the year.

Hawaii State Tax Credit

The Third Special Session of the state legislature passed a "residential construction and remodeling tax credit" as an incentive to stimulate the economy that has not had much publicity. The law states, "there shall be allowed to each taxpayer, subject to the taxes imposed by this chapter, a residential construction and remodeling tax credit that shall be deductible from the taxpayer's net income tax liability, if any, imposed by this chapter for the taxable year in which the credit is properly claimed. The amount of the tax credit claimed under this section by the taxpayer in all years for which the credit is available shall be limited to four percent of the residential construction or remodeling costs incurred; provided that the costs shall not exceed \$250,000 in the aggregate for each unit; and that the costs are incurred before July 1, 2002." "Construction or remodeling cost" means any costs incurred after December 31, 2000, for plans, design, construction, and equipment related to new construction, alterations, or modifications to residential real property. Further details should be in the Hawaii State Tax booklets for 2001 income taxes.

DD-214 Security: Filing a DD-214 with your local government is an option available to veterans. One advantage to filing a DD-214 form with your local county courthouse is that you can easily obtain copies if you ever lose your original. The disadvantage is that the form, with your Social Security number on it, becomes public record. Unfortunately, identity thieves are aware of this and could take advantage of it. To file or not file a DD-214 with your local county courthouse should be a very deliberate decision. Ask yourself if it would be better for you to obtain extra certified copies of your DD-214 from National Personnel Records Center and store them in a safe area. Once a document becomes part of a public record, most local and state laws forbid its removal.

Amyotrophic Lateral Sclerosis: A new VA and Department of Defense (DoD) study has found preliminary evidence that veterans who served in Operation Desert Shield-Desert Storm are nearly twice as likely as their non-deployed counterparts to develop amyotrophic lateral sclerosis (ALS or commonly called Lou Gehrig's Disease). As a result of the study the VA has decided to immediately grant presumptive service connection. This means that Gulf War veterans suffering from ALS can get immediate medical treatment and care from the VA and that their families will be cared for. This action covers members of the armed services who deployed to Southwest Asia from Aug. 2, 1990 through July 31, 1991. Southwest Asia includes the countries of Oman, the United Arab Emirates, Bahrain, and other nations in addition to Iraq and Saudi Arabia. [Source: DAV News Release 10 DEC 01]

CHAPTER SOCIAL PROGRAMS

As mentioned in the Presidents Message—our Social Programs are one of two vehicles—the other being the PHK, which have greatest visibility to our membership and the community—inside the state and with key officials at the National level, outside the state. While Jack and Carita Miller have agreed to function as our social program consultants for 2002 and the Executive Committee has come up with a skeletal program, we are initially planning each function around a Program Coordinator with a committee formed for each program. For example for January's Program: George and Joan Montague will be our Program Coordinators with the following - Ralph and Muriel Niesz, Menu, Jack and Carita Miller-Name Tags, Kathy and Richard DeLong-Greeters, Ron Bezanson -Invocation, Hank Heyenga-Colors, and Duke Frey, MC. We will continue in this venue — with either a Board Member or a Member of the Executive Committee in the capacity of a "Program Coordinator". At the same time we are in the process of forming a nucleus of "party members" into a standing social committee for 2002. This committee will assist with ideas for programs, assist as program greeters, and participate, as they have available time. If you would like to be a part of this group—contact Duke Frey at 261-2946 or duke06@hawaii.rr.com. Otherwise—for you party goers, we will actively seek you out—to be on this committee.
