

Fisher House I has 8 rooms to include two family suites on the ground floor that are ADA accessible.

Fisher House II has 11 rooms, 6 of which are located on the ground floor. Each room has either a queen size bed or 2 twin or full beds with a chair in the room. They are also equipped with a desk, phone with voice mail, TV, VCR/DVD player, hair dryer, iron and ironing board, clothes basket, extra linens, games and movies. We also have air beds if required.

All guests are encouraged to take advantage of the rest of the house. Common areas include the living room, family room, dining room as well as a beautiful spacious kitchen, laundry room and lanai with a million dollar view.

## ELIGIBILITY

The eligibility to stay in the Fisher House is simple: Anyone who is receiving medical treatment; is taking care of someone receiving medical treatment; or the family member visiting and inpatient receiving medical treatment at Tripler qualifies.

*The Residents can be referred in several ways:*

- Case Manager or Command
- Physician, Clinic or ER
- Liason Office
- Guam Referral Office
- VA Referral Office
- Self-Referral

All Residents need to provide documentation of their medical needs. Fisher House Management is available 24/7 via cell phone, (808) 436-5543. More information is also available on our website: [www.triplerfisherhouses.org](http://www.triplerfisherhouses.org)

We service a large variety of residents from the entire Pacific to include Reservists, Active Guard, Retirees and their families, Those who are in immediate need of housing and have no financial support (Official Orders) will be considered for placement according to their medical severity. All attempts will be made to accommodate everyone. We are always at 100% capacity and usually maintain approximately 10-15 families on the waiting list each month.

# DONATIONS

Your donations by way of volunteer hours in the home, administrative support to the home, food donations, regular household comfort items, baby items and consumable products such as cleaning supplies and paper goods are greatly needed and appreciated.

Monetary donations, gift cards to local restaurants, fast food and Wal-Mart establishments are also appreciated.

We also support families with Neonatal Intensive Care patients and those going through oncology treatments as well as those who have orthopedic or cardiac surgeries.

Tripler Fisher House has a unique mission, not only do we serve our deployed Service Members who have been wounded, we are also responsible for 52% of the world's medical treatment for service members from all branches who are serving abroad from locations like Japan, Korea, Guam, American Samoa, Okinawa and other areas of the Pacific.

Each Fisher House is a gift from the Fisher House Foundation and must be maintained and supported independently. This can only be accomplished by the generous and continued support of the surrounding communities in which it is located.

## OVERVIEW

Tripler Army Medical Center has two Fisher Houses located within walking distance from the main hospital. These Fisher Houses were a gift from the Fisher House Foundation that was started in 1991. The intent for these homes were to offer an alternative to the soldiers and families receiving treatment at the nearby Military Medical Treatment Facility and create a nurturing home like atmosphere that fosters rehabilitative opportunities to reintegrate the soldiers and families back into their normal lifestyle as quickly as possible.
